"Let Your Light Shine" by Pastor Yemisi Bamgbose

Matthew 5:14-16 "Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Light is the opposite of darkness. Light represents the day and darkness night. The book of *John 1:4-5* Says "*In Him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.*" This passage described Jesus as The light and every one of His children must of necessity become a light just like He is the light. His life was the light of men anyone that knows Him must have His light in them. Light drives darkness away and illuminates your mind. This light shines in darkness and darkness cannot comprehend it means Jesus is the light that expunge darkness. Where Jesus, is darkness must give way. In *1 John 1:5* "*This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all.*"

God repels darkness, as it is a symbol of evil and powers of darkness. Where there is no light, darkness will be obvious, but in the presence of light darkness cannot be seen as it disappears at the introduction of light. There are several attributes of light that is worthy of knowing and noting as well. Light can be likened to having an idea or vision, a man without vision is a person without a purpose and he is in darkness and does not know where he is heading. A life without purpose will just live without a definite and defined destination. Anywhere will become a destination for them because they are in darkness. Jesus knew His purpose and was able to fulfil that purpose. *John 18:37* "*Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.*" A man without a purpose will be an object of abuse, misuse and mishandled. In such a case abuse is inevitable.

Light could be understanding or knowledge of a thing or subject. When a light is shed into a matter or subject, it brings understanding and clarity to those concerned. (Oh I see) When a matter is closed, it means not open to discussion or deliberation, no insight, clue or understanding of the subject matter, on the other hand, light brings enlightenment. Light brings order to a chaotic environment. In the beginning when God created the heavens and the earth, the bible record that the earth was without form and void until God spoke that let there be light, and there was light.

Light enhances your speed and eases your journey. When there is light, a journey that will naturally have taken hours without light will be reduced greatly as a result of light. You are able to travel faster in the light than in the dark. Darkness limits your speed and hinders your progress. Light is a revealer, it reveals problems and exposes danger. You are able to see potholes and obstacles on your way whenever you are in the light.

Light reveals your work and your walk to see what sort it's made of? Good or evil? The plans of the evil ones are usually done under the cover of night when it is difficult for anyone to see the forms or shapes of those concern. Light enables you perform better, for example in winter moods are usually dull, lifeless, lethargic with less energy, but in summer, moods are generally on the up side, cheerful, happy, full of energy etc. A child of God must embrace light and our light must be seen by all men. Your light must not be put under a bushel but on the candlestick so that everyone coming may see it. Our conduct, deed and behaviour must be of light, men must be able to know and see that we belong to Jesus. How can we confess knowing the light, if we walk in darkness? A child of light must exhibit light as a matter of his or her nature. Our character must point unbelievers to Jesus, the source of all lights. Our victory is only possible and complete if we walk in the light

1 Thessalonians 5:5. "Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness."

Philippians 2:15. "That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world."

2 Corinthians 4:6. "For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."

The bible admonishes us to walk soberly, to be truthful, to show goodness and put on Christ righteousness, to put on the breastplate of faith, to love, to be merciful, and to put on the helmet as the hope of salvation. Be at peace with all men and live a godly and holy life in the fear of God. Men can only praise God when they see our good works. Your work must be clear for all to see. The question we need to ask ourselves is; am I a child of light and of the day, or the darkness and of the night?

May we truly exhibit the true nature of our Lord and saviour Jesus Christ this month and beyond in Jesus name. Therefore you must let your light shine!

How Do You Live Your Life before Death? *By*

Omolara Bamgbose aka Arewa O

Death does not respect anyone or anything, when it comes it just comes and cannot be argued with. It cannot be bribed, postponed, pleaded with, bargained with or covenanted with! It is an appointment that all human race must keep, in *Isaiah 28:15* "*Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves.*" So sad to hear about many young souls dying nowadays, without any major cause. Are we better than them? I say NO!

The reality of death should make you think "Am I really in right standing with God? Or am I just living my life Y.O.L.O (You Only live Once)?" Come to think of it that is how we all live nowadays, thinking "I can do what I want to do today after all it's my life and still have time to change/repent tomorrow," but have we really thought, what if I don't have that time to change/repent after Only Living Once and tomorrow NEVER comes? Hmmmmm makes you think?

I've been sitting here thinking why are young people dying but I can't seem to put my finger on it. In searching for an answer, I asked my aunt "why young people are dying?" Her response was "end time/rapture can come in two different ways, either through the second coming of Jesus or Death!" Her answer took me back to a statement made by a pastor in New York, "Child of God, Short cut will only cut you short, hmmm!" In all, what they are trying to say is when you think you are being "smart" so to say thinking I'm going to do all what I want now, and I can repent later, that time to change/repent might not come. You might think you have taken a short cut, but all you did was to dig a hole/pit for yourself. I can't count how many friends or friends of friends have passed away this year alone, it's really scary!

Some people will not read this, some people will read and it might not touch them or mean anything to them and some will simply see the message.

I'm writing this because of the burden I felt after another friend passed away some time ago, and don't think she had a personal relationship with Jesus but who knows?

I'm also speaking to myself as there are many times I've lived my life Y.O.L.O. and thinking now was it really worth it? Why do I live my life through someone else's eyes? Why don't I live life through my eyes? We have to "let our light shine!" Why? So that the world may see our good work and glorify our Father in heaven. *Matthew 5:14-16*

In letting your light shine remember to work in the purpose of God for your life. One of our major assignments in life is to know God and to serve Him in spirit and in truth, as God will enable you to fulfil the purpose He has created for you. We are who we are through Him. God is the one who has our blueprint in His hand. Why don't we allow Him to help us fulfil all what He has written about our life and stop writing it ourselves? *Proverbs 3:5-6* one of my favourite passages says, "*Trust in the lord with all your heart, lean not to your own understanding, in all your ways acknowledge Him and he shall direct your path.*" God has written the manuscript of our life, it is now our responsibly to find out what He has written and to walk in it. When you walk in the purpose God has written, you will not be afraid of death as our eternal destination would have been settled and secured. Failure to walk in God's purpose for our life will result in eternal damnation. And if it is our time let us be assured that we have lived our life well and we walked in His purpose. If you are sure of yourself praise God and if you are not ask Him for the grace to live your life right in Him.

"Make sure you live your life right daily as DEATH can come anytime!"

Our Baby!

By Augustina & Samuel Taiwo-Brown

After, many attempts to get pregnant and desperately alone, we tried all we could to have a baby but all to no avail'. The doctors told me I couldn't get pregnant due to the medications I was using for my blood pressure. Sometimes in June 2011, my doctor referred me for a CT scan because I noticed my stomach was getting bigger thinking I was pregnant, I made up my mind to go for the winning women conference in High Leigh that took place in July 2011. I met with Evangelist Kikelomo Alli, I told her about my medical problems, she prayed with me and we both agreed that if really it's a baby let God's will be done and otherwise may His will still be done.

I came back from High Leigh and met a letter from my doctor asking me to see her. I went and she said she does not have a good news for me that concerning my last scan the result shows that I have fibroid but the good news is its outside the womb so it's not a threat, but God had wonderful surprises in store. Come November 2011, I went to my GP to check my blood pressure as usual and he was shocked at the reading, my blood pressure came back normal. Couple of weeks later, I realised I was pregnant.

Our story is one of many uniquely featured testimonies to praise the work of God .Our son's birth is also another testimony on its own, High blood pressure, fibroid and low placenta, I came for my School of Disciple class on Saturday the 14th of July after my exam, I took permission to attend my appointment at the hospital to check my blood pressure as usual, but to my surprise they called my consultant, who told me I have to be admitted due to low placenta and high blood pressure.

I was told the fibroid was getting bigger than the baby and had no room for the baby to grow anymore, so they have to do a Caesarean Section for me. I later called my Pastor and told her and she prayed with me.

Throughout that week the open heaven topics was like God was just speaking to me the Monday before the surgery Daddy GO was talking about the importance of the communion and how often we should take it, I made up my mind and asked my hubby to call Pastor and asked her if she can come and administer the communion for me before the surgery. She came, prayed and administered the communion. I was told I would be the third in line for surgery the next day but I said to pastor, God being whom He is, I might be the first for the Caesarean section and God's willing I was the first.

To God be the glory, the surgery and everything else was successful both the mother and child are doing fine including the father.

You and Your Money *by Crown Financial Ministries*

Ten Ways to Save Money Continued...

5. Pay extra on home mortgage

You will add equity to your home, reduce the amount of interest paid over the term of the loan, and reduce the length of the loan if you pay extra monthly on your home mortgage. If you consistently pay £100 extra each month on a £150,000 loan at 6 percent, you will save almost £73,000 in interest and shave more than 7 years off the original loan. If you can't commit to an additional £100 each month, just round your payment up to the nearest hundred.

6. Pay off car loan

Interest on your car loan is not tax deductible and the rate is generally higher than on your home mortgage. Pay it off as soon as possible by rounding up your monthly payment to the nearest hundred and then add £50 (or as much as you can afford) to that amount.

7. Open an ISA

An ISA is a vessel for savings and investments and whilst it can certainly be used to accumulate funds for retirements, it is not solely for that purpose. This means that investors are free to take their cash before they retire with no restriction in how they spend it.

If your funds are limited, open an ISA only after you have maxed out with your company's retirement plan. If you do not have a company retirement plan, open an ISA immediately.

8. Evaluate life insurance

If you've had the same term life insurance policy for five years or more, you can possibly cut your premiums by changing policies. If you apply for a new policy and get a new medical exam, chances are the insurer may feel that you are a better risk than fixed insurance health assumptions indicate, which means that you will qualify for a lower premium rate.

9. Be accountable for your money

Know where your money is going by establishing a budget and sticking to it. If the expense is not budgeted, the money should not be spent. Keep a small notebook with you to record miscellaneous budgeted expenses.

10. Conclusion

Debt-free living is still God's plan for His people today. The blessings of becoming debt free go far beyond the financial area. They extend to the spiritual and marital realms as well. No one who is financially bound can be spiritually free. The effects of financial bondage on a marriage relationship are measurable in the statistics of failed marriages. Therefore, God's people need to make saving money and debt freedom top priorities in their families.

My Experience by Damilohun Oni

I just want to appreciate the Most High God for adding another year to my life on the 20th of June and for seeing me through my first year at university. God has continually protected me, guided my footsteps and favoured me even when I didn't deserve it. He has particularly granted my family journey mercies this year where there has been so many plane crashes. God saw me through the ups and downs of my exams and made sure I came out victorious. First year at university has not only been challenging academically but also spiritually but the passage *Romans 12:2* which says ***"And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."*** has encouraged me and kept me on the right track. He has been faithful even when I haven't and surprised me beyond measure.

Pre-employment programme to help those unemployed and on benefits

In the UK the figure for those unemployed and on benefits now stands at 2.65 million. Long-term unemployment is up about 50% on the year. Unemployed women aged 50 - 64 has risen by 27%. There are now 1.03 million young people unemployed, which stands at 22%, but the figure for young black men has increased by 70% in the last three years and is now 48%.

To help these unfortunates in our community, the RCCG Winners Way Church is participating in a new government Pre-employment 10-day Customer Service programme leading to a level 1 certificate. It is available starting in August, free of charge to anyone 19 and upwards who is registered unemployed and on benefits. Let's face it all employers are looking for people with these skills. The objective is to get 60% of those who join the programme into employment and on to a level 2 Apprenticeship. Contact Pastor Yemisi or Dcn Sheidu to enroll and for further information.

For employers in the community, we make this plea. The country will move out of recession and your business will move up. Don't leave these 2.65 million people on that island of despair called unemployment. Take them with you! There is an Apprenticeship grant scheme for eligible employers with an incentive of £1,500 towards taking on a 16 - 24 year old. Consider taking on someone who has completed the Customer Service pre-employment course. There are no recruitment costs. Enquiries to Winners' Way Dartford on 01322 278955 and members should please inform others about the programme.

"Let Your Light Shine"

Matthew 5:16

DARK LIGHT

A Joyful toon by Mike Waters

© 2007 Michael D. Waters
www.joyfultoons.com

But if your eyes are bad, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness!
- MATTHEW 6:23 NIV

How To Let You Light Shine!

- ⇒ Don't be afraid to stand out from the crowd. *Matthew 5:16, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."*
- ⇒ Be the seasoning to the world. *Matthew 5:13, "Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? It is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men."*
- ⇒ When your light shines, God will add everything unto you. Favour, glory, success, prosperity, blessings, dominion etc. will all be your portion.
- ⇒ Win souls. *Daniel 12:3, "And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever."*
- ⇒ Never hide your light. *Luke 8: 16, "No man, when he hath lighted a candle, covereth it with a vessel, or putteth it under a bed; but setteth it on a candlestick, that they which enter in may see the light."*
- ⇒ Like the song, "This little light of mine, I'm gonna let it shine..." God wants us to always shine our light for others to see, so shine your light brightly.

Hymns For The Month Of August

HYMN 1

We will soon shout Hallelujah
Because God will do new things
Sinners will soon be forgiven
Prodigals will come home soon

Chorus

*Shout Hallelujah
Because God will do new things
Rivers in desert now flowing
Hallelujah to our King.*

We will soon shout Hallelujah
Because God will do new things
Sickness and sorrow will be gone
Bondage will be forgotten

We will soon shout Hallelujah
Because God will do new things
The barren will be fruitful soon
Failure will be forgotten

We will soon shout Hallelujah
Because God will do new things
Poverty will be forgotten
Stagnancy will soon be gone

We will soon shout Hallelujah
Because God will do new things
To all miracles are given
There shall be celebrations

We will soon shout Hallelujah
Because God will do new things
Many will have testimonies
Of prayers answered fully

We will soon shout Hallelujah
Because God will do new things
One of us will chase a thousand
Two will conquer ten thousands

We will soon shout Hallelujah
Because God will do new things
Songs of praises we will sing
Hallelujah to our King.

HYMN 2

O Lord my God! When I in awesome wonder
Consider all the worlds Thy hands hath made
I see the stars, I hear the rolling thunder
Thy pow'r thro' out, the universe displayed.

Chorus

*Then sings my soul, my Saviour God to Thee;
How great Thou art! How great Thou art!
Then sings my soul, my Saviour God to Thee;
How great Thou art! How great Thou art!*

When through the woods And Forest glades I wander,
And hear the birds Sing sweetly in the trees;
When I look down, from lofty mountain grandeur
And hear the brook, and feel the gentle breeze;

And when I think that God, His Son not sparing
Sent Him to die, I scarce can take it in;
That on the cross, my burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come, with shout of acclamation,
And take me home, what joy shall fill my heart!
Then I shall bow, in humble adoration
And there proclaim, My God, how great Thou art!

HYMN 3

I am weak, but Thou art strong;
Jesus, keep me from all wrong;
I'll be satisfied as long
As I walk, let me walk close to Thee.

Chorus

*Just a closer walk with Thee,
Grant it, Jesus, is my plea,
Daily walking close to Thee,
Let it be, dear Lord, let it be.*

Through this world of toil and snares,
If I falter, Lord, who cares?
Who with me my burden shares?
None but Thee, dear Lord, none but Thee.

When my feeble life is o'er,
Time for me will be no more;
Guide me gently, safely o'er
To Thy kingdom shore, to Thy shore.

HYMN 4

It's not an easy road we are trav'ling to heaven,
 For many are the thorns on the way;
 It's not an easy road, but the Saviour is with us,
 His presence gives us joy ev'ry day.

Chorus

*No, No, it's not an easy road,
 No, no, it's not an easy road
 But Jesus walks with me and brightens my journey,
 And lightens ev'ry heavy load.*

It's not an easy road there are trials and troubles,
 And many are the dangers we meet;
 But Jesus guards and keeps, so that nothing can
 harm us,
 And smooth the rugged path for our feet.

Though I am often foot-sore and weary from
 travel,
 Though I am often bowed down with care;
